**GREY LYNN GREEN.**

An informal opening of Grey Lynn green took place on Saturday. The President (Mr. J. M. Thomson) stated that the number of members had increased to 110. Four new rinks had been laid down, and would be open for play in about four weeks' time. Two croquet lawns had also been laid down. The Wednesday play would open next week. Mr. Thomson also mentioned that the greens were in splendid order, and that the "At Home" would take place on December 3rd.

**GREY LYNN CLUB.**

The annual meeting of the Grey Lynn Bowling Club was held in the pavilion, Surrey Crescent, on Wednesday evening, there being a large attendance of members. The president, Mr. J. M. Thomson, occupied the chair. The balance-sheet and president's report were read and adopted. These showed the club to be in a very satisfactory position, the progressive policy being exemplified by the report that by the opening of next season four new rinks will be available for play, besides which there will also be three croquet lawns for the use of the ladies, while the question of acquiring more land was referred to the incoming committee. The membership is still increasing. The following officers were duly elected for the ensuing year:—Patron, The Hon. G. Fowlds; president, Mr. J. M. Thomson; vice-presidents, Messrs. J. Pascoe, V. Casey, C. A. Brown, J. Volkner, John Ferguson, and H. Schofield; secretary and treasurer, Mr. C. Wheeler; auditor, Mr. J. Pascoe; green superintendent, Mr. G. Baildon; delegates to the A.P.B.A., Messrs. G. Baildon and C. Wheeler; representative N.B.A., Mr. Brice, of Wellington; committee of management, Messrs. J. Knight, E. Healey, F. Parsons, T. Mills, E. E. Buckley, and R. Courtney; match committee, Messrs. G. Baildon, V. Casey, E. Healey, C. A. Brown, J. Knight; press reporters, Messrs. C. A. Brown and J. Knight. The club decided to continue the Wednesday afternoon matches. Notice of motion was given to amend the rules so as to bring them into conformity with the open-door policy adopted by the N.B.A. and the A.P.B.A. Trophies to the value of £18 18s were presented for competition next season. The standard of play attained by the club was shown by the addition of several certificates, and the first-year shield, which adorn the walls of the pavilion. A very successful and enjoyable annual meeting was brought to a close with the usual votes of thanks for the various services rendered during the past season.

Grey Lynn proposes to hold a series of fortnightly tournaments throughout the winter, commencing next Wednesday, May 13. They can accommodate twelve teams.

The president of the centre will attend at the Grey Lynn green on Saturday to present the prizes won in the five Fours at the Easter tournament.

It is probably not known that Grey Lynn have lately been in some trouble as they have to vacate their fine property in 1927 when the lease expires. However, the members are now relieved to find that they can transfer their operations to the Grey Lynn Park, where the City Council are giving them sufficient ground for two full-sized greens, as well as croquet lawns. Naturally the Council are giving this at a nominal rent as the club will be put to great expense in forming it and maintaining it in such order as will make it one of the most beautiful parts of the park.
