A PRESENTATION.

At the official closing of the Papakura Women's Institute croquet lawns a presentation of a brown Morocco hand-bag was made to Mrs. H. C. Baulf, who has been the institute's secretary since its inception four and a half years ago.

The president, Mrs. V. Houghton, in making the presentation expressed the members' regret in losing Mrs. Baulf as secretary, but paid a tribute to her loyal and devoted service to the institute since its inauguration.

A beautiful bouquet of dahlias and zinnias was presented to the guest of honour by Mrs. R. H. Clarke. Several competitions added to the enjoyment of the function.
